In a small cafe, mam'selle . . .

In this city where even the garbage pails have a smug, well-fed look, and the eating habits of a lot of people are confined solely to restaurants, one thing you find out before long is that there's a lot of (in)different waitresses.

Now in the days of my more impressionable, callow youth, I thought there was nothing more exciting or Bohemian than eating in restaurants, away from the restrictions of the family table, which usually meant rice and miso-shiru, very, very distasteful food to me at the time.

After a couple of year of eating here and there in all kinds of restaurants in Toronto, I know that it's neither of those suppositions, but I find that it's not too tough if you latch on to a restaurant where the food dished out is reasonable and most important of all, where you like the waitresses.

Also in my years of bland innocence, I thought that all waitresses were sweet, wonderful things, having never gone into hamburger joints and the like.

What I know now is that waitresses are a funny type of human being, a sort of different race as it were. Of course when they take off the uniform, they switch back to the ordinary type of human being.

I've met a lot of different kinds. There is the rare, attractive, sweet type who's always smiling, making it your pride and joy to sit down at her table. She never forgets to bring all the silver, never slops the coffee into the saucer, and has enough intelligence not to make a mistake like bringing you scrambled eggs instead of eggs sunny-side up. Then there is the type with a face a mile-long who lumbers around like a cow in pain, never failing to spill the coffee into the saucer, and generally leaves you twiddling your thumbs without a fork. There are, in short, a lot of different types.

Of course it all depends on where you go.

Last week we went into one of the restaurants on Bloor Street just after we had finished a skating session on the ice-rink. Bloor is a fairly classy street in Toronto and this particular joint is very respectable, sort of upper class, and very, very highbrow. I walked in, Eisenhower jacket and all, and the atmosphere was very impressive.

Yuriko Amemiya, soloist with the Martha Graham dance company, signed for one of the leading roles in the forthcoming Rodgers and Hammerstein musical, "The King and I."

The new vehicle, the latest from the producers of "Oklahoma" and "South Pacific," stars Gertrude Lawrence. The show, adapted from the book, "Anna, and the King of Siam," is now in rehearsal and is expected to open at the St. James Theater after trial runs in New Haven and Boston.

Miss Amemiya, formerly of San Jose, Calif., is Mrs. Charles Kikuchi in private life. She will have the featured dancing role in the production.

Billed as "Yuriko," she will be making her first Broadway appearance outside the Graham company which she joined in 1944 after arriving in New York from the Gila River war relocation center in Arizona. Last year she was one of the feature dancers in the national tour of Martha Graham and her dance company and has been teaching modern dance in New York.

Another Nisei dancer, Michiko Iseri, also has been signed to dance in "The King and I." Miss Iseri previously specialized in Japanese dances.

Another Nisei dancer, Dorothy Maruki, a member of the ballet company of the San Carlo Opera, has won the role of an understudy in the New York company of "South Pacific" which is still playing to capacity audiences at the Majestic.

With Sono Osato opening on Jan. 29 as Anitra in a new version of "Peer Gynt" and Shirley Yoshiko Yamaguchi signed as the feminine lead in "Messer Marco Polo" Broadway will see three personalities of Japanese ancestry this spring. "Marco Polo" is scheduled to open shortly after "The King and I."

Rally "Blondie" Fans Japanese Youth's Aim

TOKYO — A Japanese youth recently launched a campaign to get all Japanese couples to act like "Blondie" and "Dagwood".

Yutaka Katagami, 24, is organizing the "Friends of Blondie Society" to rally fans of the Chic Young comic strip characters.

He wants all those who like the "gentleness and humanism" of Blondie's everyday life as depicted in the comic strip to join. Katagami who is now recuperating from tuberculosis wants to rally the boosters of "good" cartoons like Mr. Young's and drive out vulgar ones from the Japanese press.

Allow 150 East Indians To Enter Canada Yearly

OTTAWA — Canada late last week relaxed her immigration restrictions on East Indians by agreeing to admit 150 persons a year from India to become permanent residents of Canada.

Previously immigration from India was virtually barred under the stringent Asiatic immigration laws.

Vernon Judoists Give Display Before 1500

VERNON, B. C. — The Vernon Judo Club participated in a community fund-raising benefit performance on Jan. 12 by giving a demonstration of their skill before an audience of 1500 who packed the ice arena here. Ten judoists, led by Messrs. Mori and Oikawa, and including one Occidental gave a varied exhibition before appreciative spectators.

Toshiro Yakura acted as commentator for the performance.

The Judo Club was given trophies for their part in the benefit to be put up for competition among its members.

Taber YBA Dance

TABER, Alta. — A Valentine Dance and raffle draw is slated for Friday, Feb. 16 by the Taber YBA at their Taber Buddhist Hall. With dancing to commence from 9 p.m., music will be provided by the Tempo Kings.

Alta. Oratorical Contest Finals For Lethbridge

TABER, Alta. — The Alberta JCCA embarked on its first annual all-Alberta Oratorical Contest for Japanese High School students. The Oratorical Contest Committee, consisting of Taber JCCA councillors, began preparatory work on the first provincial speechfest planned to take place in Lethbridge on March 4.

A large gathering of Issei and Nisei is expected to turn out for this event.

Interest is keen in the local chapters intent on placing a strong candidate in the running. Plans for local eliminations are now under way with the deadline for entry in the provincial final being set for Feb. 20.

The Oratorical contest is in the nature of an inter-chapter competition and each local chapter plans to file an entry. Youthful orators from Edmonton, Lethbridge, Raymond, Lethbridge North, Coaldale and Taber are expected. Although no chapter exists in Calgary, special invitation has been extended to would-be orators among its Japanese Canadian high school students.

The scene of the provincial finals is the Capitol Theatre, with the contest to begin at 3 p.m.

The Oratorical Contest Committee, headed by President Ted T. Aoki, consists of Mary Okamoto, Joyce Fujimagari, Jack Fujimagari, Yuki Tomiyama and Yas Yamashita, all of Taber.

J. Inouye Heads Slocan Group

SLOCAN, B. C. — At the fourth annual General Meeting of the Slocan JCCA held on Jan. 20, members elected Johnny Inouye to the presidency for the 1951 term.

Other officers are Heijiro Matsubayashi, vice president; Tomio Eto, Japanese secretary; Frank Tanouye, English secretary; Takamitsu Iwata, treasurer; Mitsugu Imada, chairman; Akira Matsubayashi, Tokitaro Fujibayashi, auditors; Zenichi Kinoshita, Takeji Sameshima, Manetaka Sameshima, Mickey Terakita and Tsuyoshi Oikawa, committee members.

Tad Nishimura and Tsuyoshi Oikawa were chosen as Slocan representatives to the B. C. JCCA Convention to be held in Kelowna Feb. 2.

On Feb. 10, an Issei-Nisei joint social is to be held.

Race Hatred Is A Business

The payoff is not always in cash But often in political advantage

By LARRY TAJIRI

The Justice Department recently was asked to investigate the activities of a Fascist-type organization which had flaunted the issue of white supremacy in the senatorial primaries in North Carolina and Florida where two liberals, Senators Frank Graham and Claude Pepper, were defeated.

Race hatred is a business. It is often a big business, although the payoff is not always in cash but in political advantage. Although like crime and prostitution it is beyond the periphery of common decency, it is often winked at and tolerated by people who should know better.

Of America's racial groups the Nisei in the continental United States are as alert as any to the activities of professional hate-mongers. This awareness of the existence of the dollar patriot and the paid race-baiters stems from a common experience during World War II when the activities of the race hatred organizations delayed the return of the evacuees to the Pacific coast.

BIAS REMAINS

Today the pendulum of prejudice has swung away from the Nisei, although there are still vestiges of discrimination. Try, for instance, to buy a plot of earth for a home or for a grave in certain "restricted" areas. But in the years following the mass evacuation in 1942, the professional hate-mongers found a ready harvest in the west coast states.

It was not by accident that more than a score of exclusionist organizations sprang into being from San Diego to as far north as Sumner, Wash., where the Remember Pearl Harbor League had its headquarters. Most of these groups sought to channel wartime anger aroused by the enemy Japanese into opposition to the return of the 115,000 Pacific coast residents of Japanese descent who had been evacuated to inland areas. The main idea, as far as most of these profiteers in prejudice were concerned, was to prevent the return of the evacuees until the urban and farm businesses and assets left behind by the racial migrants had been dissipated beyond hope of recovery.

"PATRIOTS"

Most of the clamor for mass evacuation had come from established business organizations like the Merchants and Manufacturers Association of Los Angeles; from such groups as the Farm Bureau Federation, the Native Sons, the Elks and the League of California Cities, and from veterans and "patriotic" bodies. It was after the evacuation that the professional organizers stepped in.

A few of these groups, like John Lechner's Americanism Educational League, had been active in propagating the sort of 200 per cent patriotism which is reflected in the editorials of the Hearst press. Most of the others were especially formed to excite and organize public opinion against the return of the evacuees. The names of some of them are indicative of their bias:

No Japs, Inc., Japanese Exclusion Association, Home Front Commandos, and the Pacific Coast Japanese Problem League. Others were euphemistically labeled as the California Citizens Association of Santa Barbara, California Citizens Council, Alien Relations Council, Americans League and the California Protective Association of Placer County. There were many others.

One group in the Pacific Northwest, was the creature of

ORATORICAL CONTEST A GOOD THING

Alberta JCCA has given evidence of sound judgment and far-sighted leadership in its sponsoring of oratorical contests for Nisei high school students on a province-wide basis.

Such a project serves useful purposes. It affords these youthful Japanese Canadians opportunities to speak before an audience. Ability to speak publicly can only be acquired and developed through actual experience and it is an invaluable asset when they take their places in adult society.

It also gives these younger Niseis the training they need if we are to look upon them as our future Japanese Canadian leadership potentials.

Moreover, sponsorship of such worthy projects is good advertising for the JCCA. It plugs the organization and its work, deeds are more effective than words.

Such undertakings as this and the awarding of high school sholarships by the Taber JCCA of Alberta attest to the progressive activity of the Alberta JCCA.

These projects could well be simulated elsewhere.

IMMIGRATION FROM INDIA

Welcome news as to the easing of Asiatic immigration barriers, it seems, is to come in driblets. Three weeks ago Immigration Minister Harris announced that Asiatic Canadians may bring their husbands and unmarried children under 21 (previously it was 18) to Canada.

Now last week, the External Affairs Department chipped open another small wedge to allow 150 East Indians into Canada annually, thus ending an absolute ban of 21 years. It can be reasonably surmised that the recent conference of Prime Ministers in London motivated this slight trickle from another member of the Commonwealth family.

However with the recent revelation of Mr. Harris of the 1951 target of securing 150,000 prospective Canadians from abroad to supplement the critical need of Canada's industrial growth, it becomes merely a purposeful gesture.

OUR RISING COST-OF-LIVING

As it is with most Canadians, the primary economic concern of Japanese Canadians today is the mounting cost-of-living. Soaring prices in all lines of essential commodities and services are cutting ever deeper into consumer pocketbooks. There is no immediate prospect of relief or levelling off in sight.

In the United States, ceiling on prices and wages has been brought back to stabilize the economic front there. The administration decided that government intervention was necessary and last week it re-imposed controls to curb inflation that is threatening the price structure of a near-war-geared nation.

Opponents of price controls claim that arbitrary imposition is no solution to inflation and at best is a temporary stop-gap or a slowdown to rising prices. This is not questioned, however, there is an urgent need for a check to skyrocketing living costs. News all along the line is that increases are to continue.

While Canadian intention in the face of U.S. action is obscure, no imminent likelihood of similar steps is seen. It has been suggested that Canada is to depend upon U.S. controls to stall further price rises here, though to rely upon American domestic restrictions to counteract inflation in Canada to any effective degree sounds like wishful hoping.

Those hardest hit by inflation are wage-earners and others who must live within limited incomes. By and large Japanese Canadians fall within this category and are therefore among the chief sufferers of a bloated economy. They would welcome action that would bring about a halt to rising prices.

To the Nisei:

'What Do We Think Of Ourselves?'

If we look back over the first half of this century, we could say this era belonged to the Issei. For we recognize the fact that they were the dominant force that has guided the progress of the Japanese Canadian community. We also realize that they were responsible to a great degree in producing a rather complex character that we know today as the Nisei.

This offspring, born with the heritage of the East and raised in the cultural environment of the West, now finds that the beginning of his half century is at hand. Let him take stock of himself. How does he stack up to the rest of the Canadian community? Does this fusion of the West and East in him result in peculiarities of behavior? Why is he so conservative in expression and feeling in public?

Are his manners below par with respect to the average Canadian? Does he attend church functions because he is sincere in his religious beliefs, or does he attend for social reason? Is he proud of his parents, or does he neglect them when in an occidental gathering? Why is he shy of Nisei strangers in public places? In short, let him ask this question, "Niseis, What do We think of Ourselves?"

On Sunday, February 11th, at 7:30 p.m., at the Canadian Legion Hall, 22 College Street, the Toronto JCCA is inviting three prominent speakers to give you their views on this very interesting subject.

Mrs. Muriel Kitagawa—Nisei—able writer and critic,

Mr. Fred D. Kondo—Issei—artist and exponent of Japanese culture.

Rev. Tak Tsuji—Nisei—Buddhist Priest and able lecturer.

Every Issei and Nisei is cordially invited to attend.

Discriminated Whites

A Negro group in Richmond, Va., recently asked for a boycott of a concert in which Negro artist Marian Anderson was appearing. The reason was that the best seats in the house were reserved for the Negroes.

The group is opposed to discrimination against everybody, including whites.

The Limit Is 200

Starting now, this featurette stakes out the bottom plot of Wednesday's page two. No overlapping from the adjacent editorial column, intrusions from page one continuations or trespassing by donation acknowledgments will be tolerated in this sanctum.

There will be no bar as to topics here, could be anything from peanuts to the judicial system in the Assyrian Empire, though personally peanuts are more preferable.

This column carries two stipulations. One is that whatever the subject, it must be given the easy, breezy treatment. Second condition is in the title itself, no more than 200 words.

Pop may now be seven cents, ice cream up three, and other values may spiral upward, but here, never more than 200. Reason is that we were tired of the long-winded stuff every time we looked in here. Now we're breaking it up. This won't take more than three puffs of a cigarette, or the time to chew up a piece of toast.

Do you know this is the 160th word already?

Anyway you can count them for yourself. We'll delve into something starting next week. So see you next Wednesday, down in this spot.

Made it in 194, 195, 196, 197, 198, 199.

RACE HATRED

(Cont'd from Page 2)

a professional promoter who sold statues of General MacArthur at meetings called to protest the return of the Japanese Americans to the area. This promoter, accompanied by a non-combat amputee veteran, toured Northwest areas in an effort to incite public opposition to the evacuees.

MONEY INVOLVED

John Lechner, a Los Angeles professional patriot who first offered his services to the Nisei and then joined the anti-evacuee forces, sought to extend his activities on a national basis, going as far as Washington, D. C. Lechner also toured the Intermountain area, attempting to form chapters of his Los Angeles organization in Utah and Colorado. When last heard of he was associated with an anti-Communist organization in Hollywood.

It has been established, because the names of men prominent in the industries have appeared on the boards of directors of several of these groups, that money from persons in direct competition before the evacuation with Japanese Americans in the floral and vegetable industries helped to finance the operations of some of these anti-evacuee organizations.

The use of race hatred as a weapon in economic competition is nothing new. In the opposition to the evacuees, however, these organizations also cloaked themselves in patriotism, using national defense and security as a screen for their economic greed.

Although competitive commercial groups sponsored some of these anti-evacuee organizations, others undoubtedly were chartered by professional promoters themselves who sought to exploit wartime hysteria as well as the desire of some coastal business and agricultural interests to delay the return of the evacuees as long as possible. Undoubtedly many persons were betrayed by the myths and halftruths peddled by these unprincipled practitioners of prejudice into supporting these organizations.

When the Pacific coast exclusion order was rescinded in 1945, mainly through the efforts of the War Relocation Authority and the Interior Department, most of these paper organizations disappeared. Their sources of financial support died when it became obvious that the evacuees would return. None of these anti-evacuee groups organized during World War II is active today.

The same type of professional promoter who made a business out of anti-Nisei hatred is still active, however, in spreading anti-Semitism and in using shopworn arguments of [illegible] against the N[illegible]

STILL ACTIVE

Until such a time as race discrimination is recognized as a crime in the same category as murder and rape, and not as one of the vices to be tolerated in the back alleys of the nation like organized gambling and prostitution, the professional promoters of race hatred will [illegible]

歸郷 大佛次郎

［第百二回］

牡丹の家

「小野崎さん。」

と、雄吉が云つた。

「あなた、そんなに日本に失望してをられるのですか。」

「日本人にね。日本は大好きだが、個々の日本人はきらひだ。」

不意と畫家は、顏をあかくして、身振りまで入れる例の大げさな話の仕方になつた。食後に話し相手をつかまへて喋りまくるのは、巴里にゐた時分についた癖で、巴里にゐようが日本にゐようが、健康の爲によいのだ。

「もつと、日本人はおつこちなければ駄目だ。僕はさう見てゐる。無慈悲でも突き落す必要があるんだ。中途半端なところへ、ぶらさがつてこれで濟むのだ助かるのだと見てゐる。その料簡を叩き毀さない限り、復活はないさ。ほつかぶりして通らうと思つてゐるんだらう。卑屈で、輕薄で、民族の誇りも自負もない。かういふ奴は、どん詰りまで突き落して、苦しい目を見せなければ駄目なんだ。苦しみの底を嘗めたら、どんな人間でも目をあくよ。齒をむいて怒り出すよ。さうだ。怒りだ。こいつだけが、日本人を救ふんぢやないかね。見たまへ、誰も怒りを感じてゐる人間なんてゐやしない。皆、へらへら笑つてゐる。こんな[illegible]の戰爭に今も心から怒つてゐる人間だけでも、幾たりゐるかね。もうすんだ。お目出度う御座いますでへらへらしてゐる。嗚呼、嗚呼だ。人間が他人の運命でも自分のことのやうに怒るやうにならねば駄目なんだ。斷じて駄目なんだ。宙ぶらりんぢやね。いつまでも宙ぶらりんぢやアね。」

畫家の議論をおとなしく聞いてゐるだけだつた岡部雄吉が笑ひながら、

「僕なんか、多少その怒つてゐる方かも知れませんよ。」

と、初めて口を開いた。

「兵隊の苦勞をして來たんですから、戰爭に對しては無論今も腹を立ててゐますが、その他のことにでもですね。さういふ日本人は、思つたより僕は多いやうな氣がするんです。同じ日本人に對する怒り、特に、その崩れ方に對する腹立ちは、やはり、ありますね。だから、僕は、小野崎さんのやうに、そこまで絶望してしまふ氣にはなれませんね。僕は學徒で出て勉強を中絶してしまつたので、戰爭で、ひどく馬鹿な目に遭つたことは間違ひないんですけれど……さうかといつて兵隊の生活が人がよく云ふやうに全部無意味だつたとは考へ度くないせゐか、僕個人については、苦しかつたが、何か爲になつたところもあると考へてゐるんです。死を絶えず意識してゐる生活なんて、賴まれても出來ないことで、それを潜つて來たのが無意味だつたと考へたら、可笑しいのぢやないでせうか。」

強い顏が靜かに柔和に笑つた。

永雨（ながさめ）

堀江林之助

【三】

ところが、劇團の現實は私の想像以上だつた。雨が一週間も續いた或る晩、私は劇團の者だと云う一人の男の訪問を受けたのだ

四十そこその中肉中脊、旅廻りでも役者は役者だと思わせる整つた顔をしていたが彼は挨拶がすむといきなり、

「實は お願いにあがりましたが。」

とポケットから紙に包んだ一枚の板みたいなものを取り出した。私には原板だとすぐわかつた。

「ほオ、君も寫眞やるんですか。」

私が手を出しかけると男は慌ててそれをひつこめて、

「いいえ、私は寫眞はやりませんが、この雨があと三日も續けば劇團を解散しなければならない狀態になつてしまつたもんですから、それで女達があせつて一番手ッ取早いことをやり出したもんですからそんな不道徳な事はいけないと思つても仕方がないもんですから、それで私が恰度こんなネガを持つていたもんですから、ひとつ是非燒增しをしていただきたいと思つたもんですから。」

實に同情に値いする話である。私は涙もろいたちだから早速に承諾した。そして、彼がよろこんでそそくさと歸つたあと、私もそそくさと紙包みをあけてみて驚いた。

「なんだこれは！」

私はただ一人でいるのにもかかわらず激しい羞恥に襲われた。そのネガは、一人の妙齢の婦人が實に猥褻に價いする姿体をしている寫眞であつたのだ。こんなものの燒增しを頼まれたりしては誰だつてひどい侮辱を受けたような氣がするにちがいない。

「人を泣き落しにかけて！」

私はかんかんに怒つてネガを投げ出してしまつた。

然し、考えてみれば、私がこのまま拒絶すれば劇團の連中の運命はどうなるか知ら。だと云つて燒增しをしてやれば村の青年の間に流布され、風教上面白くない。そればかりか私は告白するが、青年たちにこれを見せることが惜しい感じもするのだ。

私は思案したあげく、雨の夜更けの畠道を三十分も歩いて驛の近くの或る種の金融機關の門を叩き、愛用のカメラと米穀通帳を出して低身平頭した。

翌朝、私は劇團の男に云つた。

「何とも申譯けない始末ですが、うつかりしてあのネガを割つちまつたんですよ。この三千圓で何とか凌ぎをつけてくれませんか。」

——然し私は、このネガは一体どうすればいいか知ら。いつたん割つたと云つたからには割つてしまわなければいけないような氣もするし、それかと云つて、むざむざ割つてしまうのは殘念なような氣がして仕方がないのである。（終り）

日本農村の次男三男問題

海外移住協會理事長代理 鳥谷寅雄

日本に於ける農村次男、三男の悩みは次の統計により直に諒解されよう。即ち一九四九年に於て十六歳から二十五歳までの者總數千四百餘萬人に對し農家青年層は七百三十万人を占めている。此の中將來農家の後繼者となり得る者を除けば四百九十万人餘が所謂農家の二、三男女層に屬し、春秋合せて僅か一ケ月に充たない農繁期の勞働需要期を除いては殆ど定職なく潜在失業者として基礎的教育も施されず、しかも結婚も困難な狀態に置かれている。

この次男三男問題の解決を目的として農村次、三男對策中央協議會は結成されたのであるが、昨年六月農林省等後援の上に開催された全國各府縣青年團代表會議の決議により速急に各府縣毎に地方協議會を組織し解決の氣運推進に當ることとなつた。去十二月十五日東京の日本開拓會館に於て前大會から半歳を經過したので其の實績に基いて更に促進策を協議するため、今回は地方協議會の結成された最初の代表者會議として開催した。

主催者側は海外移住協會、日本青年會、日本開拓協會その他六農民團体、參加代表は北海道、山形、茨城、新潟、静岡、愛知、京都、大阪、岡山、香川、愛媛、熊本であり主賓として農林省、文部省等の擔當局課長が參集した。

會議は朝から夕刻まで續き先ず各最初の實狀報告が行われ、特に山形縣の青年達による長年荒廢地として棄られていた火山灰地帶の開發のため獻身的努力或は熊本縣の地元青年による險峻な阿蘇山の頂上までの開發等、幾多の涙ぐましい具体的事例が述べられた。

次に、以上の實績から單に國內開發のみでは對策として非常に低い限界にあるのが明らかで、更に第二段の討策の協議に移つた。その結果次に述べる產業開發青年隊の構想がまとまつた。即ち

日本政府は年々莫大な經費例へば一九五〇年度總額八百七十六億圓、一九五一年度は千億圓以上を農林、水產業の施設、道路、港灣、河川、改修、砂防治山治水等に向け更に米國對日援助見返資金からも一九五〇年には千五百八十億圓の資金がこれらの工事に投じられた。

これらの國家的諸事業へ青少年の自發的意志の下に組織的、集團的に參加させて作業活動と共同生活を通じて心身の鍛錬、技術能力の實地習得をさせ、この課程を修了した者に對し希望により入植地を與え或は適當な事業を斡旋することは勿論、更に特筆したい事は連合國に懇請して世界の未開地の開發の最も困難な部面の引受けをなし、世界に日本青年の價値を認識さす機會を作ろうとするにある。

以上の協議の後懇談をしたが地方代表からの最も活ばつに質問が出た問題は海外移住についてであつた。海外移住協會からカナダのニューカナデアン、ブラジルのパウリスタ一新聞その他の海外新聞或は個人通信にもとづき、海外情勢を說明したが、代表一同熱心に日本青年のために在外同胞の奮起を切望した。

二世の自己批判

雜錄　梅月生

來る二月十一日に開かれるトロント市協の總會では、極めて興味ぶかい問題が取り上げられて討究されることになつている。別項、市協集會の豫告の前書き(英文らん參照)は次の意味のことを述べている

「今世紀の前半は第一世のものであつたということが出來るが、この時代に於ける日系カナダ人社會の進展には第一世が決定的な力を持つたものである」ことと「今日の、可なり混み入つた特性を持つ二世と呼ばれるものを作り出す上に第一世が大きな役割を持つたものである」ことを二世は認めるものである。

「この東洋人の天性を持つて生れ、西洋文化環境の中に育てられてきた二世が、今世紀後半の初めに立つに當つて二世自からのことを評價してみる必要がある。例えば

▲二世は他のカナダ人社會の中に於てはどう見えるか?

▲二世の特色ある振舞いは彼の中に西洋的なものと東洋的なものとが溶け合つた結果なのだろうか?

▲二世が公衆の間において自己の氣持を表現するのに控え目であるのはどういうわけであるか?

▲二世の行儀作法は一般のカナダ人の水準に比べて善いか惡いか?

▲二世が敎會に行くのは宗敎上の信仰によるものであるか、それとも社交的な理由からなのであろうか?

▲二世は、その父母を誇りとしているか、それとも西洋人の集まりの中では彼等をオロソカにするかどうか?

▲二世が公衆の場所に於て未知の二世に氣易く話しかけないのは(ハニカミすぎて用心ぶかすぎる)何ういうわけであろうか?」

これは要するに、二世の自己批判とでも言えるものである。日系二世という特性の檢討でもある。この試みを通して、彼等にその特性を與えた一世のことも當然論議されるであろう。「一世が、二世が——」と口にし又は氣にしていた人々はもちろんのこと、多くの人が參し加て自からのことをも批判・檢討する機會にするがよいであろう。

ミミズの獨語(一)

山東野人

ミミズという虫は、土の中に生れ、土の中に死ぬので、その存在は人間社會の間にはあまり認められていない。

極く寒い地方と乾燥の甚だしい土地のほかは、殆んど全世界至る所の土中にミミズは住んでいる。英語ではアングル・ウオームとも呼ばれて、時には大公望たちの釣餌にもなることがあるが、それは生きて動くミミズでないと餘り役に立たないのである。

吾々ミミズは半分にチョン切られても、頭部の方からはまた尻部が出來て、立派なミミズ一匹となる。しかしやつぱり人間の社會並みに苦勞も敵も多い。夏に天氣が續くと土地の上層はひどく乾くのでそんなところには吾々は住むことが出來なくなる。そこで少しでも濕氣の殘つている下の方へと潜つて行くのであるが、眼はないけれど、明りと匂いに對する鋭敏な感觸力があるので、腐しよくせる植物性を求めて生きて行くことが出來る。

大雨でも降るとミミズの呼吸道である土地の小さい穴が雨水のためにふさがるので、必要な酸素を求めるべく地上に頭を出すのであるが、そこにはロビンのような鳥が待つていましたとばかり、後から後からと頭を出すのを胃袋の中へ入れてしもう。運惡く水溜りの中にでも頭を出すと、寒さや泳ぎの出來ないために少しの水溜りの中でも溺死してしもう。時には不用意に道など横切ることもあるが、土地が乾いていて体の粘り氣に乾いた土が附くようであつたら萬事休することになる。

ミミズが地中に縱横に無數の氣孔をつくつているのが、土中のモイスチュア保存力を增し、それが農作物のためになることなども、人間には餘り知られて居るまい。

講和條約の下相談
米國の立場は不利

【東京發】ダレス特使は先週末以來各方面と講和條約に關する準備的會談を行つて意見をたたいているが、現在の極東事態の險惡によつて日本は今や全く拒否權を持つ立場に置かれていると言つてよい。すでにマ元帥は度々日本が被占領國としての義務を果したと述べており、吉田首相も講和後は日本の自主性をふみにじつて貰いたくないと明らかに聲明している。ダレス使節團が之等の條件を容れるとしてもなおかつ總司令部と野望にみちた日本人との間に相互協定に達するのはむづかしい事であろう。朝鮮戰爭の勃發によつて日本の地位が如何に米國に重要であるかをさとる外務省では專門的調査官をして講和に關する米國の下心をさぐらせているのである。その結果、台灣、琉球、小笠原諸島等の返還を要求することは無駄な事だと自覺している。ダレス特使は今回の訪日中、日本の再武裝問題に就て押し進めて行くとは思われない、最も重大な問題はその背後に置かれた日本の產業的水準、海運、戰爭賠償金、米國の財政援助および講和後の米軍基地等にある。もし米國が講和後も日本水域並に太平洋にふみ止まろうとすれば米國は日本の援助と友好的態度を必要とするということを日本は自認している。更に日本に米軍基地を必要とし、將來は日本軍力をも必要とするかも知れない。ダレス使節團の訪日結果はここ二、三ヵ月後でないと判明しないだろうが、對日講和における相談の空氣が半年前より全く變つた事はすでに明らかとなつており、戰爭で失つた多くは日本に戻つてくると信ずる日本人もかなり多數ある

單獨講和の危險性

講和が日本に近づきつつあるということは、本來明朗な便りであるはずであるが、その講和をめぐつて日本自体が置かれている地位は、いよいよ困難が增していると前置きして朝日新聞は最近紙上に次の論を社說の一部で掲載している。

いまは連合國による占領下という事態によつて、皮肉にも日本の國際的安定が事實上カバーされている形であるが、いま數ヵ國との間に講和が成立して日本の自主權がその限りで回復した場合を考えると、その自主權を講和せざる國は認めようとしないのであるから、日本とこれらの國、例えばソ連との間の關係は、いま連合國が全体として自主權なき日本をカバーしている場合とはちがつて、その間の摩擦といつたものはかえつて大きくなり、日本との關係には今よりもはるかに鋭い緊張が出てくる可能性があるのである。

日本の安全のためには、ここに二手も三手も先の先を考えておかねばならぬのであるが、それは例えば單に再軍備をやればよいというだけで簡單に片付く問題ではあるまい。考えれば日本はいま底知れぬ困難の谷にはまり込んでいる。重大の事態である。この期に際して、この困難を正しい努力で克服しようとする精神と意氣すらが、薄らいでいるように見える。政策よりも何よりも、そこにまず重大な危機が感ぜられるのである。

單獨講和 中共は寬容せぬ

【東京發】マッカーサー元帥とダレス特使は吉田首相を交え講和條約に關して廿九日協議した。この會談が行われているとき中共ラヂオは中共紙人民日報は「中共は日本が單獨講和を結ぶことを寬容することはできない」と述べていると次の通り放送した

中ソ友好條約の主要目的の一つは日本武力侵略の再現を防ぐことにある。もし米國が勝手に日本再武裝のたくらみを行うならば、中國ソ連又はその他東洋諸國は決して放任しないことは確かであり、東洋に險惡事態が招來するであろう」

印度人移民許可 月に百五十名宛

【オタワ發】オタワ移民省ではさきに支那系カナダ人のカナダ再入國の規則を緩和し月平均百五十名が入國しているが、今回二一年も入國禁止を行つていた印度人を月に百五十名宛入國を許可することになつた旨オタワ外務省から先週末發表された。現在カナダには一、七〇〇名のインド人が居り、二年前に參政權が附與されたものである。東洋人系の移民で禁止されているのは日本人だけとなつた、政府當局では移民政策の不公平に對する非難に答えて、支那人日本人その他アジア人は同化しにくい人種だからと辯明している

カナダの物價も安定へ
米國の物價賃銀凍結の好反響

【ワシントン發】物價安定局および賃銀安定局は先週金曜共同聲明を以て「廿五日夜半よりインフレ防止策として賃銀および物價を凍結した」旨發表した。十二月から一月にかけて米國の物價指數は過去二年間の最高を示し、生活費は日毎にうなぎ上りに高騰していたもので、今回の物價賃銀凍結の發令によつてインフレを抑制するものだが米當局では目下細目にわたる新規則が明らかになるまでの混亂處理のために懸命である

【オタワ發】ハウ通商相は米國の物價賃銀凍結はカナダの物價安定に寄與するであろうと次の如く述べた

米國をふくむ諸外國からの高物價の輸入によつてカナダの物價は支配されるのであるから、米國が物價を安定させればカナダの物價も安定するわけである

ハナシ ブレッド、キャンデー、アイスクリームなど値上りになつて、家庭經濟はますます苦しくなるばかり今に物價統制となるが賃金もフリーズされることになろう

米決議可決は確實

【レーク・サクセス發】中共との交渉のドアをどうしても閉じてはいけないとカナダ代表ピアソン外相の主張が米國決議に優先されることになつた國連政治委では廿九日米國が提出した中共制裁決議に投票することになるが、四二ないし四五票を得て可決することは確實と見られる。しかし、經濟的、交的制裁を中共に加えるまでに、あらゆる努力を今後の解決交渉にかけられることになる、一方中共では米國決議が通過すれば平和の望みは全くなくなるとインドを通じて述べている

火曜オタワ議會を再會

【オタワ發】最も重大視されるオタワ議會は三十日開會された。鐵道ストライキを善處するため昨年八月に一七日間議會を開會して休會したので今回の議會は再會となるわけである。國際情勢が好轉しない限り、今議會は相當期間にわたるものと豫測されると共にカナダ國民生活に直接にひびく重大なプログラムに就て政府、野黨間に熱論が交される事であろう。今議會では次の諸點を中心として進行されることになろうと見られる

（一）まず第一にインカム・タキスの增額

（二）社會保障の改善、例えば老年恩給の改善（六五才以上に恩給を支給する條項等）

（三）平和時におけるカナダ史上最大の再軍備への人力統制（强制的徵兵による軍事訓練に關して）

（四）國防計畫と資材統制をつかさどる新省設立に關して

その他英連邦首相會議の報告米國の物價賃銀凍結に呼應するカナダのインフレ防止策、ヨーロッパ派兵等の問題が議上にのせられることになろう

All Nations 'B' Team Ousted From Title Race In Church Badminton Loop; Trinity Surges On

Capt. Tosh Bando's All Nations "B" squad for the second successive year, bowed out of the league race by a 15-9 reversal tacked on them by a high-flying High Park United team. In the first game of the season, the "B's" had vanquished the West Enders 14-10 but hopes of a second win and a chance to stay in the running were dashed to the ground as the first four mixed doubles couldn't buy a win.

Actually there wasn't too much difference between the top teams with the Nisei men always on top of the other teams; Capt. Bando with an eye toward the future, tried out promising Terry Fujioka and Mary Ebata and these two inexperienced girls came up with a fighting performances.

Jimmy Kumagai and Roy Shin were given the tough assignment of playing against HP's top team of Scott and Pick and the Nisei duo clicked on the first 15-6 but dropped the second 15-14. Gus Hirano-Junji Ikeno, Scotty Amemori-Tosh Bando swept all their games.

At this point the score stood 6-5 for HP but the bottom fell out when the top four teams couldn't untrack themselves. Toshi Takasaki-Roy Shin, Marie Akiyama-Gus Hirano registered the only wins in the mixed.

Final match of the season will be against Bloor United Feb. 7, at All Nations Gym.

Trinity JCCA Hot

Trinity JCCA slugged out a 16-8 win over JCCA Jrs. to climb into a second place tie with AYPA and the loss dropped the Jrs. into the cellar of the Nisei League. Although beaten by AYPA one week ago, Metro still leads the parade with 3 wins and 1 loss, but Metro will have to be sharp to repulse the upsurging Trinity who after an anaemic start has blossomed into a thundering juggernaut.

Trinity's Tom Iwasaki, veteran of the courts, and Roy Toyonaga led off against Jrs.' Ronnie Matsumoto-Nick Kaji and the hustling youngsters won 15-14. The Jrs. duo ran the score of the second set up to 14-6 only to have the veterans rally for a tense 15-14 win. This loss apparently drained most of the starch from the rest of the youngsters who dropped all the men's.

Hard-fighting Jrs. Nancy Edamura-Mary Shintani were the only twosome to register a win, downing Lyn Tsuji-Molly Tanaka 15-11, and 12. Nancy and Matsumoto teamed up for the only Jr. double win in the mixed, beating Tats Harada-Molly Tanaka 15-11-8. Tom Nobuoka-Sandy Kaji of Trinity split with Mary Shintani-Jim Shintani as did Jrs.' Louis Okawara-Ichi Yamashita against Dot and Henry Shoji.

The plaintiff charged that when he tried to pull two small children out of the way, the "valet," Shuiji Joe Nezawa, hit him with a club.

Spadina Riding High, Isoshina Best Reason

Although Spadina Bowling lost out to cellar-mired Best Cleaners last Friday, they made the necessary two points to put them astride of the century mark giving them a solid grip on the peak rung of the Toronto Nisei Major League. They have a 15 point command.

The best reason for Spadina being where they are is Mas Isoshima. A peek at his average (213) doesn't show this but he's known around the league as the man in the clutch, the ideal anchor who picks them off when they count.

The veteran Nisei kegler who's been around the alleys for some time, also bowls for Spadina in the CHA league here, another indication of how he's respected. Besides that, he's a vital cog in the Nisei set-up being the official statistician, the keeper of all records, an unenviable post in any man's league.

Together with Curly Nakagawa, Isoshima came up with a [illegible] triple, topped only by Sumi Sora with a mark of 806. Y. Saito 776, T. Omura 766, G. Ide 759, T. Mori 749, R. Sasaki 741, I. Ito 727, R. Miyauchi 705 followed.

In single games, S. Sora 360, T. Omura 351, M. Isoshima 335, and T. Nishiro 328, shone.

Results were El Mocambo 7, Danforth 0; Urabe 7, Queen City 0; Yamada 7, O. K. 0; Moonlite 5, Sammy 2; Sora 5, Takeda 2; Best 5, Spadina 2.

Basketball Fixture All Herby Miyasaki's Show As Mustang Ace Hoops 43 Pts. For New Record

Herbie Miyasaki who just two weeks ago established a new scoring mark by hooping 38 pts. in a single game came up with another phenomenal display of basketball wizardry and scored 43 pts., a new record, as Mustangs annihilated the last place Rebels 75-27.

In the curtain-raiser, the fast-stepping Whizz Kids climbed back into a second place tie with the Aces by beating them 71-50. Aces, playing without the services of their hard working centre, Aki Hayashi, kept pace with the Kids until the last quarter when the eventual winners scored 13 unanswered pts. to pull the game out of the bag.

Alan Fujiwara played a standout game for the WK, potting 19 pts. followed by Soc Shintani with 17 and John Kajioka with 13. Frank Sumi played a fine defensive game for the losers while Seiji and George Takata scored 14 and 12 points.

Whizz Kids: Fujiwara 19, Shintani 17, Kajioka 13, Kameoka 7, F. Miyasaki 7, Fukumoto 5, Koyanagi 3.

Aces: S. Takata 14, G. Takata 12, Miyashita 10, Otsu 8, Sumi 8, Oda 5, Arai 1.

Although the game was not as lopsided as the 75-27 score would indicate, the Rebels-Mustang match was strictly no contest as Herby Miyasaki scored at will, to individually outscore the entire Rebel team by 16 pts.

At the start of both halves, Rebels held off the champs for about five minutes but they could not stop the big Mustang machine when thrown into high gear. Although the score sheet shows Herby Miyasaki scoring 43 of the team's 75 points, it fails to show that a good 25% of the remaining pts. were direct results of his brilliant ball handling and playmaking.

In the same breath it should be stated that the rest of the Mustangs came up with steady performances, especially Mucka Makimoto whose deadly set shots accounted for 16 pts. in the first half which ended at 41-11 for Mustangs while Miyasaki tallied 27 pts.

Mustangs: H. Miyasaki 43, Makimoto 16, K. Miyasaki 6, R. Miyasaki 4, Inamoto 2, Mori 2, Ohara 2.

Rebels: Kurita 9, Fukumoto 7, Kitasaki 4, Hirano 4, Mitsui 2, Hayakawa 1, Morita.

PASSING THRU

(*Cont'd from Page 1*)

The waitresses here were very nice and swivel-hipped, dressed in trim black uniforms with white frills, and they greeted you with a nice smile. What struck me as setting the high-brow atmosphere was the long-hair music—Bach, Chopin, I was told by my buddy—instead of the usual noisy juke-box Frankie Laine. But when we got the check, it was a different matter. We paid for all the nice atmosphere.

Of course I don't mean to say that all waitresses in hamburger joints and suchlike are sloppy, indifferent, and sluggish. Occasionally I meet some very pretty babes, some of whom you can really get excited about until you notice a ring on her third finger, left hand which leaves you with a very cold feeling indeed.

I know the lot of the waitresses is not particularly a contented, happy one since they're generally underpaid, the hours are long and tedious, and they have to put up with a lot of crude customers. But what amuses me is the language they reserve for the kitchen whenever they wait for an order or take a couple of drags on their cigarettes. Some of them can easily outcuss a lot of men I know.

One thing in their favour is that most of them are natural, friendly girls although they're not too feminine.

But it's so easy to lose one's boyish illusions when the next day, in a big hurry, you dash into the corner joint, and then you are made to wait for almost enough time to discuss the Karl Marx theory, and then you find the coffee cold and mucky, the food nauseous, and finally you wonder why the manager keeps her on the job.

BUT if you ever find a waitress with a warm smile, a pleasing voice, a trimly dressed figure, and who knows how to serve food properly, then you've found a precious diamond in the rough. My advice is to keep her, bud, keep her.

RACE HATRED

(Continued from Page 2)

able to operate—just as some of them did actively and successfully in the 1950 election campaign.

The Justice Department which is charged with the protection of the civil rights of American citizens is handicapped by a lack of authority, direction, personnel and implementing legislation. The President's Committee on Civil Rights recommended in 1947 that the Civil Rights Section of the Justice Department be reorganized as a full division with the department, that FBI personnel be trained in civil rights work, that state law enforcement agencies set up civil rights departments and that a permanent Civil Rights Commission be organized by the President and by Congress.

If an organization engaged in the promotion of race hatred was required to report the names of its contributors, such information would reveal the true facts of its interest, whether economic or political. Race hatred was good business for its promoters and its supporters who opposed the return of the evacuees in the war years on the Pacific coast. It is a business for those like Gerald L. K. Smith to cite one nauseous example, who promote it today against Jews and Negroes. (From CROSSROADS)

Calgary Roundup!

MUSIC, SKITS, FASHION, AND THE THING

By CAL

CALGARY, Alta. — The West was at its best at the Sunshine City of the Foothill's 4th Annual New Year's get-together under the auspices of the Calgary Nisei Club, held on Sat., Jan. 20, at the Labor Temple.

The evening was launched with a warm address from Mr. George Matsuoka to approximately 120 Isseis and Niseis in attendance. Numerous talents participated in the entertainment and both Japanese and English ditties were enjoyed immensely. The harmonica virtuoso and guitarist added to the merriment.

The girl sextet harmonized the popular song known as "The Thing". The highlight of the evening was the girl's performance of "Operation Tonsilitis" which ended up in tumor, cancer and appendicitis cases.

The stronger sex challenged the lassies with the Fashion Parade—the latest in the world of fashion, direct from the shops of Gay Paree. The display ranged from wedding gowns to great grandma's hey-day swim-suits. We wonder whether the squeals, screams and swoons were for the "redheads" and "ojo-sans" or for the artificial aids?

A lunch followed the concert and then the door prizes were drawn. The lucky first prize of a gift certificate from Silk O Lina went to Jerry Nagata; the second prize of a book of theatre tickets each went to Mary Adachi and Betty Sawada.

The Calgary Nisei Club extends their heartfelt thanks to the Silk O Lina Store for their loan of wearing apparels and generosity, to the Cathay Coffee Shop for the soft drinks and to all of the donators.

The success of the event is credited to emcee President Tom Nawata, social convenor Joyce Jomori, the executives, and to all the assistants.

The next social event is the Valentine rendezvous on Friday, Feb. 9 at the Sons of England Hall.

Ottawa—T. B. death rates have dropped from 37.1 in 1948 to 30.5 in 1949 (per 100,000 persons).
